

Invitation

EUROPEA – the network of training institutions in the agricultural sector – brings representatives of 25 European countries together with Austrian teachers, trainers and students. In July 2018 Austria takes over the presidency in the European Union as well as in EUROPEA International.

The following events will show the diversity education and training in the green, agricultural sector:

- Seminar for representatives of green schools in Retz, Lower Austria under the topic: „Quality in the learning process by comparing and sharing project results“
- Workshops for students and teachers in 4 provinces
 - Increasing in Values with Direct Marketing – LFS Schlägl, Upper Austria
 - Renewable Energy – LFS Güssing, Burgenland
 - Agrotourismus in the alpine region of Pinzgau – LFS Bruck, Salzburg
 - Alpine Farming – LFS Litzelhof, Carinthia
- Student competition in Cattle Judgment in Traboch and LFS Kobenz, Styria
- Closing event for all participants in Vienna: Spanish Riding School (Morning training of the famous white Lippizan horses) and lunch buffet in the Ministry of Sustainability and Tourism

Your participation counts if we want to achieve our goals for a strong and professional EUROPEA.

EUROPEA Austria is looking forward to welcoming you.
