2. Brief biography

As a 22 year old, I believe that the true meaning of life is to live different kind of experiences. As a person I have always taken up new opportunities and always wanted to test my limits. Be it inside AIESEC or outside of AIESEC, I have always applied for as many opportunities as I can. Also as an individual, I consider myself to be humble. I believe the change that I want to see in the world starts from changing me and hence I am always on the look around to improve myself as an individual

3. Your hobbies and interests

I like reading books, watching and playing sports, watching movies. I am also interested in presenting my ideas in events or hosting events.

4. Your favorite person

My favourite person is my mother. I believe that everything that I am and I could be was because of her. She is taught me the right values, she is taught how to face the world and also she is always taught me to be myself.

5. Your favorite book/movie/TV series

My favourite movie is Swades. This movie is a bollywood movie with its lead actor as Shahrukh Khan. The movie is based on the villages of India, the kind of ill practices that are prevalent in the culture and how eliminating that is very important and thus how education is important.

6. Your motto

I believe my motto or purpose in life is to empower people and to support them with their purpose of life.

11. Why did you choose this project/why did you choose to go to the internship?

The reason that I chose this internship was primarily because of the Job Description. I have always been inclined towards teaching and I always loved talking about my country. This project is a blend of both and I would love this kind of an opportunity.

12. Write a message to your future students and host families

To my students and host families,
firstly a big thank you for giving me this opportunity to be a part of your lives. I promise you one thing that by the end of my Internship, I would certainly leave a part of me and India in you. I do hope and believe that I can contribute positively in your lives.

13. Allergies, diets
