Polish spring customs

- Spring starts on March 21.
- The best-known custom for welcoming spring and farewell to winter is melting Marzanna.
- Spring flowers in Poland are for example: snowdrops, crocuses, sapphires and pansies.
- Then, birds come to Poland, like: storks, cranes, orioles, cuckoos, nightingales and others.

Easter customs

- For Easter people make Easter eggs, that is, boiled eggs, which have various colours and patterns on them.
- We come to church with a basket in which there are: sausages, salt, pepper, bread, eggs, Easter eggs and other things.
